Agendas were faxed to The Index-Journal, to local radio stations, and were posted on the Greenwood County website calendar.

The committee invited representatives for the Railroad Historical Center and Katherine Hall to attend and present at the meeting. Lewis Dorrity and Karen Jennings presented on behalf of the Railroad Historical Center. Dan Branyon, Ware Shoals Mayor John Hansen and Dr. Fay Sprouse presented on behalf of the Katherine Hall application.

Following the presentations, Committee Chairman Anderson called for a vote of support from the committee members on the Railroad Historical Center application. All three members voted in the affirmative to support the Railroad Historical Center application.

The committee further discussed the proposal for Katherine Hall. The committee did not appear to have support for the pool restoration component (\$500,000) of the overall \$3,528,123 request. The committee also wanted clarification regarding the proposed Phase I – Exterior Rehabilitation Phase. The committee asked if representatives from Ware Shoals could attend the committee's next meeting on Tuesday, March 8 at noon.

Chairman Anderson noted the committee should try to put their final recommendations together at the March 8 meeting.

Meeting adjourned at 2:30 PM.
